

Place Value Concentration with the Value Pak

Directions:

1. Work with a partner. Place the Base 10 Concentration cards facedown on the table.
2. Player 1: Turn over one card. Tell your partner what you need to turn over next to have a matching card.
3. Player 1: Turn over a second card. If your two cards match keep them. If the cards do not match turn them facedown again.
4. Player 2: Complete steps 2-3.
5. Keep taking turns until all pairs of cards have been found.
