

# Adding with Value Pak

**Materials:** base ten blocks or snap cubes (or pencil and paper to draw the cubes), equation cards

## Directions:

1. Cut out the cards and place them in a pile face down.
2. Work with a partner. Take turns to flip over the top card in the pile.
3. Build each number that is shown on the card with snap cubes or base ten blocks (or do a drawing). Record the equation and compare your answers.
4. Repeat until all the cards have been turned over.
