

# Help Value Pak Get in Order

**Materials:** numeral cards 101-120 (cut out)

**Directions:**

1. Work with a partner. Shuffle the cards and deal 5 cards to each player. Players must place their cards facedown in a pile.
2. Take turns flipping over the top card from your pile. Place the card on the grid below.
3. The goal is to be the first player to have 5 cards in order from least to greatest on the grid below. On each turn a player can replace any card in their column with the card drawn.
4. Players may not move cards around within the column.
5. Keep going until one player has 5 numbers in order from least to greatest.
