# Sort Flat Shapes

**Directions:** Cut out the shapes and glue them into the correct columns.

| 3 sides | 4 sides | 5 sides or more | curved sides |
|---------|---------|-----------------|--------------|
|         |         |                 |              |
