

Handful of Coins

Materials: cup, coins (you can use real coins or cut out the coins in this activity)

Directions:

1. Put all the coins in your cup. Grab a handful of coins.
2. Sort the coins and arrange them from greatest to least value.
3. Draw a quick picture of the coins you grabbed.
4. Figure out the total value of the coins. Show your work.
5. Record how many of each type of coin you grabbed and the total value.
6. Repeat 4 times.

Quick Draw	How many of each type of coin did you grab?	Total
example: 	I grabbed 1 quarter, 2 dimes, 1 nickel and 1 penny.	51¢
