Read It

Words are made up of syllables. A **syllable** is a part of a word with a vowel sound.

Clap out the number of syllables in our **Words To Know**. Then read the word in a sentence.

damp

This sponge is damp.

rotting

This banana is not fresh, it is rotting.

burrow

The baby rabbits live in an underground burrow.

Try It

Draw a picture of a worm in a garden

High Frequency Words

damp - a little wet

rotting - getting old and breaking down

burrow - a hole or a tunnel dug by a small animal

Words to Know

When we write a sentence we need to plan out our writing.

We think about what we want to write and then say it out loud.

On a scrap piece of paper, write "Worms can help plants grow."
