Write It

Directions: Read why something happened (cause) and write what you think happened after (effect).

Cause	Effect
I forgot to turn off the faucet in the kitchen.	
The gate to the fence was open.	
My ice cream was on the picnic table in the sun.	
I forgot to put on sunscreen.	

Draw It

Read the sentence (the cause). Draw a picture of what you think happened after (the effect).

I hit a rock with my bike.
