

ACTIVITY GUIDE

Episode 414: Short Vowel/Long Vowel
Words and Animals that Camouflage

Scan below to
watch lesson

Read It

Read the following passage
out loud.

The Arctic fox has white fur
to blend in with the snow.

He can hide in the snow
from polar bears and wolves
that are hunting him.

When winter is over, the fox
will shed his white fur and
use his brown fur to
camouflage in the bushes
and trees.

Words to Know

camouflage - to blend in
with your surroundings

Write It

How many words can you make
with the letters in the following
word...

camouflage

_____	_____	_____
