

PETER & THE WOLF

VIRTUAL FIELD TRIP

Join the Michigan Learning Channel as we take a virtual field trip to visit the Grand Rapids Ballet and the Battle Creek Symphony Orchestra. You will meet dancers and musicians, practice your foot placement, and even play an instrument!

Afterward, tune in to the Michigan Learning Channel for the October 13th television premiere of the children's symphony, Peter and the Wolf, featuring musicians from the Battle Creek Symphony and dancers from the Grand Rapids Ballet. See you soon!
