Think About It

Read the following statements, Which are true and which are false?

It's impossible to recycle a soda pop can. _____

Over half of the garbage we throw out can be recycled. _____

Plastic garbage often ends up in the sea. _____

Words to Know

Recycling is when we take materials that we were going to throw away and put them through a process so they can be made into something else.

These symbols are found on **plastic** items that can be recycled.

Draw It

Look at each object. Decide if it can be recycled or if it should be thrown in the garbage. Draw a line from each object to where it belongs.
