# Subtracting with Take Away & Counting Up!

Directions: Use the double ten frame to solve two with take away and then use the double ten frame mat to solve with counting up.
Example:

$15 - 8 = \underline{} 7$

Take Away

Counting Up

$17 - 6 = \underline{}$

Take Away   Counting Up

$19 - 6 = \underline{}$
Take Away   Counting Up
$18 - 5 = \underline{}$
Take Away   Counting Up

$16 - 9 = \underline{}$

Take Away   Counting Up
