

# ACTIVITY GUIDE

Episode 103: Actions at the Pond

Scan below to  
watch lesson

## Read It

Under the pond, beavers dive deep. They pump with powerful tails and rise to the surface with delectable roots from the mud.

## Talk About It

Vocabulary can be taught with movement, props, video, photos, examples, non-examples, and engaging children in saying the words aloud. Use the meaning and picture below to come up with a movement to practice with your child for the word **dive** from the text above.

Meaning

**dive** - go head first

Picture

What movement can you create for **dive**? Practice it together.
