

# THE MICHIGAN PASTY

# ACTIVITY GUIDE

## DESCRIPTIVE WRITING

We used the famous (and delicious!) Michigan pasty to help us learn a bit of history and see a model of how to write descriptively about a favorite food.

Complete the chart below with sensory words to describe *your* favorite meal. What do you see, taste, hear, smell, and touch while *eating* it? Then, write a few descriptive sentences about your favorite meal including sensory details from the chart to make your writing coming alive!
