

ACTIVITY GUIDE

EPISODE 118: OUR LARGE LAKES

- Scan the QR code below or click here to watch The History of Sugar Beets from Prairie Public Schools. two times.
- For the first viewing, listen and comprehend the video's content.
- For the second viewing, create a bulleted list of notes as you listen. For each bullet, include one to three words.
- Share your notes with a peer, if possible, and add to your notes. If you do not have a peer, you may choose to listen to the video as many times as needed until you feel you have written enough notes.
- From your notes, write a summary about what you learned from the video on a separate sheet of paper.
